To Advertisers. As the time for Fall and Winter advertising is near at hand, we take occasion to present to the advertising public, some of the advantages possessed by the Parsion as an advertising medium. The Parsion's South. circulation of the Daily and Tri Weekly issues are larger in Davidson and the adjoining counties, than any other publication in Nashville. Another item of advantage in the Parstor is one which has doubtless escaped the minds of many, which is that it is the only paper issued in the city, on Morey morning, consequently it is much sought after by the newspaper reading community, thus rendering it by far the best advertising medium in the city.

MAYORALTY. We are authorized to announce Gen. B. F.

Cheatham as a candidate for Mayor of the City or Nasnville, if the ensuing election.

FOR ALBERMAN.

Ra We are authorized to announce JAMES M. HAM-ILTON as a candidate for Alderman in the 4th Ward,

The sixth great epoch of man's existence is upon us. In a short day, perhaps, we shall receive intelligence flashing exultingly along the deep lying Atlantic telegraphic wire. How shall we, of Nashville, receive the consummation of so great an achievement? Must we let it pass by, an event necessary in these wonderful times, as of no particular moment? No! Let all the people rejoice, and clap their hands for

God's majesty made plain in a flood, in a Savior to mankind, in the discovery of America, in a Declaration of Independence, and in the discovery of Railroads, have not more present interest for us, than will the announcement that the Agamemnon has arrived safe in Valentia on her precious errand. Oh! let us noise it joyfully about, that Providence has at length united the L great nations of earth with a tie indissoluble, and strong as the Rocky Mountain chain; that | Turnpike road belonging to Samuel B. Brown, a new light is kindled in the very heart of in- and containing seven acres. telligence, which shall shine in the dark depths of ignorance and error; that intolerance shall no longer have a home in the heart of man; that intelligence may go free, ca without hindrance, and that art and science may now mount and safely over-ride all obstacles to a speedy and millenial progress.

Oh! let us give forth our heartfelt joy for the greatest achievement of man, consummated by this intercommunicating chain .ess of the enterprise begins the most glorious epoch in the scientific existence of te man, and we should rejoice in its accomplishment. There should be thanksgiving rendered in the churches; there should be shouts and parade with droms and bells and guns. The Mayor should order the bells of the city rung. No church with a bell, should wait for the order, but upon the great announcement that intelligence is flashing along the Atlantic wire, should ring out its happiest peal. Let the City Hall bell give the signal for all toring, to shout and sing most joyously. We cannot be too jubilant.

A procession should be formed on the streets by all the public institutions and societies, and march with martial music to the Public Square, or to the Capitol, and there have speeches, fire-works, etc., fit for the occasion. A GOOD MEDICINE .-- McLean's Strengthenng Cordial and Blood Purifier is one of the most useful and pleasant beverages of the Telegraph line and has not yet been reday. It is mild and agreeable to the taste, newed. bracing the nerves, giving a healthy tone to the stomach, and imparting a glorious appetite. A wine glass full of this Cordial taken aboard the vessels, communication through th got off in splendid style, the filly taking three times a day, will be better than a family physician, as no other medicine will be required. For ladies it is particularly recommended, as it strengthens the ribs of the "weaker vessels" in an astonishing degree. See the advertisement in another column.
